POWER & TECHNIQUE

★Choose your boxer's skills

You can decide the ratio of your boxer's SPEED PUNCH POWER & STAMINA, e g SPEED 20%, PUNCH POWER 60%, STAMINA 20%

Choose the arrow using the FACE PUNCH button and decide the percentage using the control lever Press the BODY PUNCH button when you're ready to enter the ring

"You're on your own in there kid!"
You've got the skill Use it
Right, let's get in the ring"

★Body Blow

This is the best way to wear down your opponent's energy

★Counter Punch

Surprise your opponent by moving quickly from defence to attack.

★Upper Cut

Crush your opponent's jaw
If you connect, it's a K O blow!!

"Yeahhhh I'm the K[illing] blow!!
That bell is the sweetest s[ound]

You can go training after every two bouts you win There are three training modes to finely tune each element of your skill Before the title bout with the Champ, you can train e max of three times but you can skip these training sessions if you want

SUPER PUNCH

THE ULTIMATE BLOW!!

"SUPER PUNCH" can appear at any time depending on your use of the control lever and the distance between the boxers

There are seven kinds of "SUPER PUNCH",

a) Upper Cut
lift opponent off his feet!!

b) Rolling Hook
sweep him aside!!

c) Cork Screw
make his stomach churn!!

d) Triple Thunder
rapid flurry of three blows to [the] face

e) Hot Crash
Red Lightening "SUPER PUNCH"

f) Blue Hurricane
Blue Lightening "SUPER PUNCH"

g) MACH PUNCH
Blow your opponent out of the ring!!

INTERACTIVE PLAY & CONTINUATION FEATURE POSSIBLE

★Control your boxer's movement

Use the 8-way control lever to produce skillful footwork attack and defence Depending on the position of your opponent you can move anywhere in the ring

★FACE PUNCH button

3 punches - straight jab hook
Remember offence is your best defence!!

★BODY PUNCH button

4 punches - straight, jab, hook upper cut
BODY PUNCH reduces opponent's power and the upper cut will always knock him out!!

★GUARD button

2 guards - face and body
By pushing the GUARD button the body and face are protected alternately when fighting close-in The guard used depends on the size of your opponent.
When using the guard always watch for the chance to counter and knock your opponent out
